**MEMORANDUM IN SUPPORT OF PLAINTIFFS' MOTION FOR REVISED CLOSING  
ARGUMENT BRIEFING SCHEDULE**

NOW COMES Plaintiff, through his Attorney, Christopher C. Cooper, to respectfully ask Judge Darrah to revise the Briefing schedule for Closing Arguments and that Defendants are required to file within 3 to 5 days. And that such revision is requested for the following reasons: (1) Plaintiff through counsel filed his Closing Argument within the past hour; (2) in order that one side is not advantaged by having the Hearing Transcript (if the Defendants' ask for an extension of time) and that the other side does not have such Transcript; and (3) that Roger does not miss additional days of classes at Bolingbrook High School in the event that the Court rules in Plaintiff's favor. Plaintiff's counsel respectfully requests that such order as to this motion is posted in ECF in order that counsel for parties need not appear and that Roger is not delayed in returning to school if the Court rules in Plaintiff's favor. Through and with Counsel, Plaintiff states:

- (1) Hearing convened on 12 March 2008 before the Honorable Judge Darrah.
- (2) Closing arguments are to be in writing due March 19<sup>th</sup> for Plaintiff and approximately one week later for Defendants.
- (3) Plaintiff's counsel did file Plaintiff's closing argument within the past hour (13 March 2008).
- (4) Based on reliable information received, a transcription of the hearing cannot be ready until the last three days in March or early April.
- (5) For the sake of Roger's college aspirations, Roger Coronado desperately needs a decision as to whether or not he can return to Bolingbrook High School.

WHEREFORE, Plaintiff asks that the Court revise the Briefing schedule requiring Defendant's to file within 3 to 5 days.

RESPECTFULLY SUBMITTED,
